SECURI-LID

AVAILABLE FOR ALL LEADING LCV BRANDS
COLOURS AVAILABLE: WHITE, SILVER, BLACK

The Securi-Lid, a robust aluminium roller shutter load-body cover, makes your hard-working vehicle more versatile. It's a quick and easy way to lock away your load without compromising your bakkie's good looks.

Strength, durability and cost-effectiveness make the Securi-Lid the ideal solution to covering your bakkie's load.

FEATURES

- The Securi-Lid interlocks into the tailgate through a Grip Lock latch securing your tailgate
- The roller system allows for accessibility from all sides
- The Securi-Lid mounts on top of the load box giving you maximum loading capacity
- An integrated channel on the side rail accommodates for the mounting of accessories.
- Our hardy spring operated mechanism offers you a three year warranty

SECURI-SLIDE
